MEMORANDUM FOR: Chief, Contracts Division, OSA

25X1A SUBJECT: Procurement of Production Prototypes -

[REDACTED]

25X1A

We have evaluated Proposal Number 4256 for the fabrication of a signal recognition unit [REDACTED] and consider the stated specifications adequate for our needs (except for the typographical error of Item 10 which should have read "800 cps. to 2900 cps. nominal"). It is requested that a contract be negotiated for the procurement of two each production prototype models of the [REDACTED] units and associated commercial grade manuals. Funds in the amount of [REDACTED] are available in the appropriate line item of the COMMO/OSA budget.
